The Word of God on the feast of the Birth of Lord's mother

This day is now written on earth and in heaven among the great testimonies of the history of My word, which has been working on earth for seventy years on the hearth of the Romanian nation, oh, how wonderful was My coming on earth in this time, and beautiful was My mysterious victory, and the heaven of saints was greatly comforted, a witness from above for My walk with the word through this time so covered in front of those on earth, and now behold My victory, and I walk on earth speaking and proclaiming and walking to all that is happening everywhere and searching for man, even if the people on earth do not feel, do not know, do not hear My steps, My voice, My call and My love for man!

Peace to you, oh, peace to you, sons from the citadel of My word on the land of My Romania, My country at the end of time! Let this land, blessed by its very election from God for My victory over the antichrist man of this time, leap with My glory, written in the Scriptures that he will come and that I will come, too, and we will fight, and I will be victorious, as it is written that My victory will come on earth, between man and God, My word as Shepherd, My coming with glory, oh, sons.

I am with My Virgin mother, I have her at My right side with the day of celebration of the memory of her birth on earth two thousand years ago. She is looking at Me with longing, listening to My speech and awaiting with all the saints the day of My celebration, the celebration at the Maluri village, oh, sons.

I have made My citadel with you on earth and I have power here and from here, sons. I am the Son of the Father Sabaoth, as the Father has given Me power of victory and I have appointed you My servants, My way of coming word on earth, as you are the fruit of My work begun with My trumpet, with the Virginia from Maluri village, oh sons. The earth and the little house in which she came into the world a hundred years ago, receive the glory, seen and covered until now, for I, the Lord, rested My Spirit and My work most in this garden of heaven, and which now is receiving its dress and testimony about Me and about it, for I descended in 1955 into this garden when secretly laid the path of My word over the earth, so that I could call to God the lost man, all the man who does not know how to make God over him his Master on earth among men. I am the One Who made man in My image, so that man would be like Me. Nevertheless, he seeks to have God, but the poor man does not know how to have Him, and he sets about making Him over him according to what he is, oh, and I no longer see among men the one who would look at what I am, and so make Me his God over him. They all make Me their own and then say that they have God, that they belong to God and say that they are with God in everything they have.

Oh, sons, I made man like Me, so that he might be Mine, so that he might be like Me later, but he makes Me over him like himself and then believes that he has Me as his God. For seven thousand years, I have been watching the work of man who wants Me as his God, and since then I have been sighing for man and I can no longer bring him to his likeness with God, because between him and Me is time, there is the fleeting temporality like the man who fell from My bosom, and I walk weeping with eternity in My arms to embrace man in it, **oh, and the separation**

between him and Me, temporality, sin, the enemy who tore man from the glory of eternity, from the sweet paradise, from My love for man, stands against Me.

Oh, sons, today I am intervening in your words, in the language of your prayers to the Father, and together we are asking for heavenly grace over the garden at Maluri village, the settlement now renewed by My creative word and by your little hands, and behold a miracle revealed, as if descended from heaven, a citadel of stone, heavenly beauty through word confessed and revealed as a testimony of My seventy-year-old word, and whose history and truth are looked at by all who see it, so quickly and beautifully emerging as from a story here on earth.

Here is the renewed settlement of My memories through the time of the hundred years, since I, the Lord, began to prepare My trumpet since her infancy, on Virginia, the child from Maluri village, and in the year 1955, I blew the trumpet and spoke My first word over the earth and said: **"Peace be with you!"** and I said: **"Christ has risen!",** and I said: **"I am the Lord, Jesus Christ, not with the flesh, but with the Spirit and with the word that came to earth."** (*See the selection topic: „The apocalyptic trumpets*[1]*", r.n.*)

It was the feast of the resurrection that day, it was the Passover of 1955, when I began My time of love in the land of the Romanians. A tiny people had gathered near My trumpet during its preparation to be a vessel for Me and My word upon the earth, oh, and how sweet it was in the heavens that spring when I, the Lord, began My coming word upon the earth at the voice of the archangel and in My trumpet from the Maluri village, oh, sons, as it is written in the Scriptures and as I have fulfilled it. (*1 Thess: 4/16*[2]*; Apoc: 10/1,7*[3])

And now, behold, I and you, are speaking on this day of testimony and writing in heaven and on earth over this sweet little garden, we are writing a day of grace and sanctification over it, and we are worshipping it to the Father, the Son and the Holy Spirit, as a miracle that has now appeared on earth in plain sight, and which are receiving the name of baptism: The little garden of

heaven at Maluri village, and its story of a hundred years, since I, the Lord, have breathed My word over the earth, the word of God, and I have the Romanian country as My coming and I have you as My way as well, and of My word over the human race on earth and over all of My creation, to renew it little by little through My word from the beginning and the end, and for the new heaven and the new earth to appear, according to the prophecy written in the Scriptures, and one does not depart from the Scriptures with an iota, but, on the contrary, one enters into their fulfillment, of those who are now in line to be fulfill, and eternity is at the border and time is trembling, sons, for time is made and keeps rolling, as it is written, for man does not let himself come out of time and show himself with God on earth, with eternity, sons, for where God is, eternity is as well, and he sees himself appearing, and time is no more and he runs away and keeps running, and man runs too and does not know where he runs and where he stops, and I come in his way speaking to him and telling him about Me and eternity, oh, and man has no idea about his day of today and tomorrow, as he wastes his life with temporality and nothing can separate him from sin and the vanities of the earth, and he delights his heart and mind with things that perish, does not find the comfort he seeks, does not know what he seeks, oh, and he will look long at it when he finds it meet and will be amazed at how close she was to him and how alien the man was to her grace, to My comfort, to the sons.

Behold, the celebration of the seventy years of My word is approaching, and those in heaven have begun their joy and preparation and arrival for the celebration, and therefore, those on earth are also beginning their preparation and settlement on the way to My source from here, to the citadel of My word, to the day of the celebration of the garden at the Maluri village. And behold, children, let us raise our little hands to the Father and let us all say at once: Father, our Father Who are above in heaven, prepare sweet weather from above for the celebration, take care of the spirit of comfort over those who will gather and give them sunshine for the celebration, and give them the song of nature then, the song of the comforting Spirit, and give them Your companionship of Father. Amen.

We are calling the Romanian nation to the celebration of the seventy years of the word of God on the hearth of this chosen nation for the coming of My word upon the earth. May the wind of the Holy Spirit come upon the Romanian land and everywhere around; let it stir up heavenly fragrances, attract hearts and longings to the garden of paradise at Maluri village, for the heaven of saints is coming and filling the air of the garden and heaven, when earth is meeting in a mysterious celebration, taking from eternity for eternal confession and all things are renewed, and then they will appear and be announced, as it is written that these times of joy will come for the faithful, and of rebuke for those hardened and cold in heart and faith. **Behold, for all comes a payment, comes a measurement, God the Word comes and fills the earth with grace, oh, and may man also come if God comes! Amen**.

Now, holiness is being placed over the garden and everything is cleansed everywhere, and you, My servants who serve with Me before the heavenly Father, speak in My name the sanctification of the water and the springs of the garden, and then the sanctification of the garden, the pavilion in the garden and all the borders, and you sit down with great humility before Me and ask forgiveness for everything you have done wrong during your work with Me for the appearing of this miracle, for this garden is a miracle, and its grace delights passers-by and they catch love for

you in their hearts, oh, and therefore, you may always be with Me in all your moments and works, so that everyone may see the Lord with you, in you and among you, and at the celebration may all be one heart, all one dedication, all one longing, one thought and one word, and take everything from Me, My children.

Oh, do not forget, be well organized and well prepared with everything for the celebration, everything with much peace, with chosen speech and little among you, for the angels are approaching together with the holiness of this miracle and mix with you for the preparation of the celebration and the comfort of the celebration, sons. Sweet words, order with advice, gentle and chosen behavior, and, do not forget, when the sun rises on the morning of the celebration you should be adorned and well prepared and with the duties divided, so that everything may go beautifully and harmoniously, and everything in its place and on time, sons. I will give you more powers from above besides your bodily powers, because I am now feeling like on Tabor with you and I am about to show My glory, to show Myself with you, sons, and you are to be My witnesses then on earth. May your garments shine upon you with the sunrise and with the grace that will adorn My celebration day, seventy years of My word on the Romanian land and of the people who have accompanied Me through time on My word path over the earth, and many of them are in heaven now and are waiting for Me to place them with honor among the upper hosts that will stand in the air at Maluri village, for My celebration.

Those who will travel to the citadel of My word will be accompanied by angelic servants for My celebration, and here they will be welcomed and received advice for the order of the celebration, and they should be good and quiet, not be tempting, not be inquisitive for the things here, and should stand open to be able to receive gifts, for the heaven above is watching, looking, protecting, bestowing and descending sweet peace over the kindergarten and over the celebration.

Everything will be as between those in heaven, for heaven and earth will meet at My celebration, and we will emerge for a moment from time and it will be wonderful, here will be holy feelings in hearts and they will remain unforgettable. Amen.

Now, I am opening My arms, and with them I am blessing you, My children, and holding you in My embrace.

The gong of the opening of the celebration is ringing! Come to the celebration, come from all over to the celebration of Christ with you, Romanian sons! The breeze of the Holy Spirit will blow and accompany you on your way with its gentle whisper. The earth is trembling from edge to edge, for it hears the Lord with His celebration on the land of the Romanian nation and the comfort of heaven will spread from that day over the whole earth. Amen.

Peace to you, those who will sit on the way to the kindergarten at Maluri village!

And peace to you, people of My word! Peace and spirit of celebration and blessing throughout the earth, from edge to edge on the day of celebration for the seventy years of the word of

Christ in the land of the Romanians, My land at the end of time, the land of My return from the Father to the people. Amen, amen, amen.
